Dates to remember !

Feb. 2, 2023 — Groundhog's Day

Feb. 14, 2023 ---- Valentine's Day

Feb. 20, 2023 ----President's Day NO SCHOOOL

Spring Break is coming!

Dear Parents,

With Valentine's Day, President's Day, and Groundhog's Day right around the corner, Wellington is planning lots of fun activities around those days. Remember to have weather appropriate cloths for your child/children as we never know what temperature it is going to be outside. Please continue to check with your child's/children's teacher (or daily notes home) for anything they may need in school.

Be on the look out for information from your teacher regarding Valentine's parties as they are held individually in the classrooms.

We would like to share a warm

WELCOME

to our newest teachers: Ms. Ariana: Kitchen, Ms. Dori: 1A, Ms. Hannah: 1B, Ms. Jalynn: N2, Ms. Mariah: 3B, Ms. Lauren: 1A, Mrs. Lexi: 2A. We are so happy to have you on our team.

As always, thank your for sharing your children with us.

♥Your Wellington Family

WISHING OUR FRIENDS:

A VERY HAPPY BIRTHDAY

Infants—Classroom N1 & N2

February is here
and love is in the air

- ⇒ This month we are learning about having best friends, heart shapes, and dental health.
- ⇒ We are celebrating Groundhog's Day, President's day, & Valentine's Day as well as Black History Month & Dental Health Month.
- ⇒ With my teachers' help, I will begin to show more balance, control, and coordination during physical play.
- ⇒ When it comes to lunch time, I will begin to show more interest in the activities surrounding feeding myself.
- ⇒ I will start moving around more and changing positions myself. I may even begin to crawl or walk.
- ⇒ My teacher will show me toys and items that begin with the letter "B". She'll show me the number "8" and items that are pink. We'll work on fun art activities using the shape of a "heart"
- ⇒ We are looking forward to meeting new friends as we open classroom N2.

Happy Groundhog's, Valentine's, and President's Days from 1A & 1B.

This month we are celebrating big with three holidays and two themes. The themes for February are Dental Health and Black History. We'll also be learning about the letter "B", number "8", the heart shape, & color pink. During dental health activities we'll be learning about how to take care of our teeth.

I'll begin to engage in moments of physical play such as pushing wheeled toys around, playing with the soft toys in the classroom, interacting with my friends, and sharing toys for brief moments. I will play with the bikes on the playground, climb on the small playset, slide down the slide, and use outside toys such as balls with my friends and teachers.

I will begin following my teacher's directions and guidance for safety measures like holding my buddies hand to walk to imagination or schoolers, use walking feet, and gentle hands.

My teacher will help me with choosing new foods to try, eating finger foods myself, and showing preferences in food choices.

If I haven't already moved from crawling to walking, I will start doing this soon. I will also begin being able to show better coordination and ability to maneuver varying ground types and levels.

We are also looking forward to having more friends join us in our class.

Dental Health Month

Elijah

- ◆ February is already here and we are going to have so much fun! There are many things we are celebrating this month: Black History, Dental Health, Groundhog's Day, Valentine's Day, and President's Day.
- ◆ We're going to practice safe running outside, stooping, and jumping. We'll also be getting better at riding the bikes on the playground.
- ◆ Using our hands and fingers to create artwork, play with our toys, and design fantastic creations is exciting.
- ◆ We're going to work on using our words to express ourselves including our needs, wants, and emotions.
- ◆ In class, we are going to pay more attention to books and learning activities as well. Letter "B", Number "8", the color "pink" and the "heart" shape are just a few of the things we are going to work on.

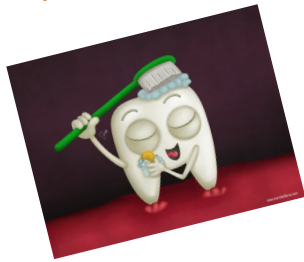

This is going to be a great month

February Is Here

- ◇ This month we are learning the letter "B", number "8", the color "pink", and the "heart" shape just to name a couple of things.
- ◇ We'll be answering questions about books we read, complete the calendar tasks, work on the alphabet song, talk about the weather, and even dance and sing.
 - ◇ Communicating our wants, needs, and just having conversations will grow this month.
- ◇ Riding our bikes outside will get easier and easier.
- ◇ Listening to our teachers and following directions will improve for us too.
- ◇ New outside activities will get us excited and ready for more skills.
- ◇ We will learn about Groundhog's day, President's day, Black History, and Dental Health.
- ◇ Valentine's day will bring lots and lots of love, kindness, and caring to our classroom as well.
