DEAR FAMILIES,

Well March didn't go out like a lamb as much as we wished, but we're hoping April Showers bring May flowers and loads of fun, fun, fun. We'll have an Easter basket parade to show off our egg collections, have Spring pictures taken, & have a day off (4/7/2023). We'll celebrate many special days like April Fool's day, International Children's Book Day, World Book Day, National Pigs in a Blanket Day, and National Blueberry Pie Day. April is: Dog Appreciation Month, National Garlic Month, Filipino Food Month, and Move More Month.

With all these new days to celebrate, your children will be learning many new things, tasting many new recipes, learning new vocabulary, and having loads of fun in school.

You may have seen some changes happening around campus. Last month Ms. Estelle moved from the main building into our VPK building giving her students more space to learn, play, and grow. Ms. Mariah also moved classrooms to accommodate her ever growing class. We were then able to split our two year olds into two classes and welcomed Ms. Detta to our family.

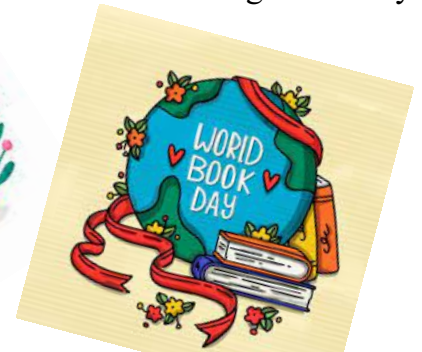

Coming soon will be our Summer Camp. Any school age child up to the age of 12 is welcome to enroll. We will be going on field trips, having water days, inviting KONA Ice to campus, and much more.

We are also looking highly motivated individuals to add to our staff family. If you know of anyone who loves kids, is a great multi-tasker, and needs an income please have them come visit us for an application.

Dates to remember !

- April 2 - International Children's Book Day
- April 5 - Passover Begins

NATIONAL BLUEBERRY PIE DAY

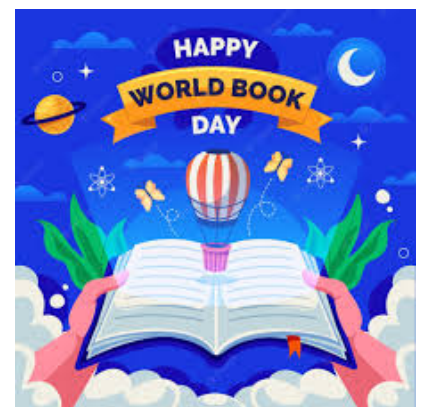

Since the weather has turned warmer, we are spending more time on the patio crawling, playing, and working on walking as some of our favorite toys are our walk behind/ride ons. While out there, we are able to interact with our friends in the Tiny Tots room as well.

Some of our friends have moved up and we miss them greatly, but many new ones have joined our class. They are: Khalil, Robert, Harper, Liliانا, Analiya, and Kash.

We are looking forward to celebrating some unusual holidays, moving ahead in all our skills and spending time with our wonderful teachers:
