Dear Parents,

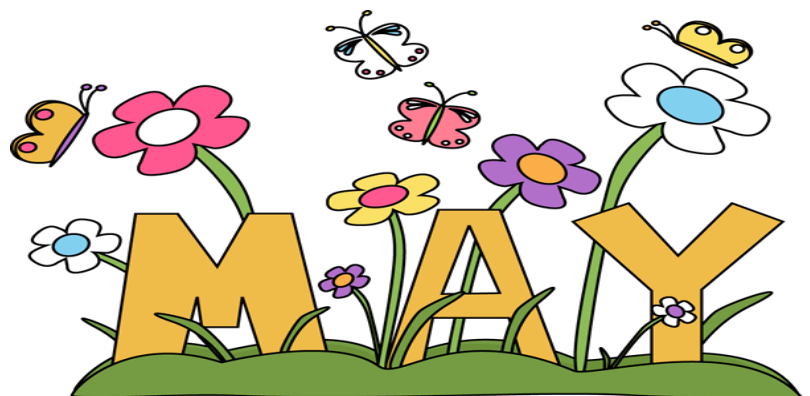

May is here! Which means VPK is coming to an end. Before that happens, we have a lot planned for the month!

This month we have Teacher Appreciation week! So please shower your teachers with compliments and let them know how truly appreciative you are of them!

We are also celebrating our lovely Mothers. Every classroom will be doing something special to show our moms how much we love them! Your little ones look up to you and want to say thank you for everything you do for them!

We will be closing @ 5:30pm on May 19, 2023 for our VPK graduation, sorry for any inconvenience this may cause.

Last month was bittersweet as we welcomed Wyatt into our classroom but we had to say goodbye to Penelope who turned one and moved onto a new school. This month we will be learning all about transportation and different cultures from around the world through books and music. As a reminder please make sure bottles are labeled with their FIRST & LAST names and have lids on them before they are placed in the fridge. If you haven't done so yet please send in a family photo. Last but not least Happy Mother's Day to all the Moms of Wellington!

The children were very excited to see the Easter bunny, egg hunt and Easter activities. Thank you for all your donations and support for making our day a huge success!

Welcome May! It is hard to believe that the school year is over in a few weeks. I would like to thank all of the parents for giving me the opportunity to be your child's teacher this past year. It truly will be bittersweet and I am so proud for their accomplishments. They all worked so hard and made progress and growth over the past year. I look forward to finishing strong and having fun with the kiddos!

Please be reminded that VPK Graduation is 5/19/23. Over the summer be reminded to continuously read to and with your child to keep their language and literacy development going strong. .

# THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

**DECISIONS** for the benefit of your students.

For putting your own needs on hold and

keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today  
ever got rolling.

For **CHANGING** those plans because they didn't  
fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring  
their efforts, trials and mistakes.

For placing your hand on a shoulder that  
was **EXACTLY** what someone needed.

For getting down on the physical level of  
your students because **IT MATTERS**.

For thinking of a new way to reach  
someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**
