Hello May! We want to thank all of the parents for their donations for our Easter festivities; we very much appreciate it! We have a very busy month ahead of us as we celebrate our teachers during Teacher Appreciation Week, and our mothers during the second week of May.

Let's show the love! There will also be activities and projects for the children to do and as we prepare for our VPK Graduation. Be sure to look for any posters and updates regarding our celebrations and graduation. We can not wait to see what May will bring us! Please remember to label everything brought in with your child's first and last name. Thank you guys for everything.

Love, Miss Samantha

Our 1 year old's are still sprouting their buds! This month we will be teaching them more about Spring. We focus on the different weather elements as well as the spring colors and songs. We have been reviewing our colors and fruits every day. We have also been learning how to express our manners and how to use them in sign language. Parents I encourage you to learn these signs as well and to please help encourage your child to say "Please, Thank You, and Sorry" during appropriate times. We are thankful for all of mommies and teachers and a warm welcome to our newest addition, Miss Tobi.

Love,
Miss Nadia & Miss Tobi

Our twos are still blossoming! We have been learning and understanding the concepts of Spring. We discuss the different weather elements every day as well as the different animals and insects we see. We have also been practicing our manners including raising our hands and pushing in our chairs from the table. We are still trying to grasp the concept of sharing and I encourage the children to not use the word "mine" rather than "ours" when playing. They have been working really hard at potty training and I praise them every single time they tell me they need to go. Thank you to all of our teachers here at South Cape and our beautiful mommies. Be on the lookout for some art work headed your way!

Love,
Miss Brooke
