Dear Parents,

It is officially summer break and we are ready for all that comes with summertime! Water days and ices to keep us cool!

We will begin water fun while on the playground. Please be sure to send your child with appropriate water attire. You will receive notification regarding your child's classes chosen days

Please apply sunscreen on your child before arriving to school and dress your child appropriately for the weather.

This month's theme is "Sand, Sea, and Sun." Be sure to check the classes posted plan to see each weeks activities that coincide with the theme.

♥Wellington Family

Dates to remember!

June 2nd—Last day of VPK

June 15&16th- Father's Day

Celebrations

June 18th– Happy Father's Day!

June

**Happy Birthday
to all of our friends
celebrating this month!**

Aria P. 6/01

Leia B. 6/06

Mrs. Thalía 6/06

Nauve 6/13

EMMA B. 6/19

Hudson 6/28

INFANTS A

I hope all mother figures had an amazing 1st Mother's Day! June brings us celebrations for Father's Day on the 18th. Last month we wished Ms. Lauren a very happy birthday as she turned 22! This month we will be focusing our learning on the beach and ocean through songs, books, and crafts and learning all about sea creatures that live in the ocean.

♥ Ms. Ayla & Ms. Lauren

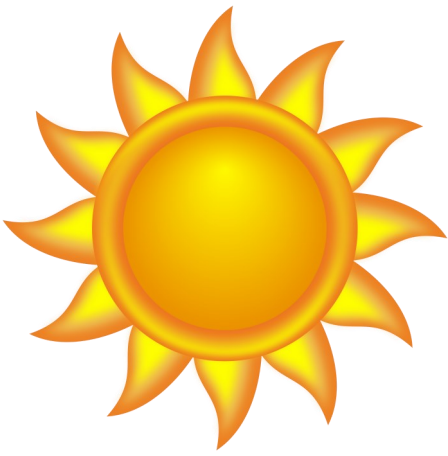

CLASSROOM 1A

Our Mother's Day event was a success and we look forward to our Father's Day being just as successful. Please remember to keep your eyes peeled for supply needs posted in ProCare to ensure we have all we need to properly care for your child. This month we will be celebrating Emma's birthday and saying goodbye to Cassie as she moves up to 2A. We will miss you and hope you enjoy your new friends. As we step into June, we'll be learning all about the beach, sea animals, and the fun we can have in the sun. Please remember to dress your child accordingly as summer fastly approaches. We will also be reviewing letters A-L, numbers 0-5, colors orange and turquoise and the shape circle.

♥ Ms. Brianna

CLASSROOM 2A

Our Mother's Day event was a success, thank you to all the mother's who came for our celebration. We love to see the parents enjoy time in the class with their children. The month of June brings

Sand, Sea, and Sun . We will be making a sand box for our playground fun. We would like to welcome our new friend Cassie to our class and we wish Lennox good luck on his new adventures in D3. With hotter months ahead, we will be

incorporating our water days and ice cream parties again soon, depending on the water restrictions. Please also be on the lookout for our shape and color packets which will be going home this month.

PLEASE CONTINUE LABELING YOUR CHILD'S CUP WITH THEIR FIRST AND LAST NAME. THANK YOU

♥Ms. Kelly & Ms. Claudia

CLASSROOM D3

Our Muffins with Mommies was a huge success, thank you for making this a wonderful time for all of us. We would like to welcome Lennox to our class, we are excited he has joined our family in D3. This month we will be working on our alphabet recognition starting with the basic stick letters of L, T, E, I, K, etc. From there we will move on to other letters. When teaching children to write letters it is best to start with letters that go in the same direction for easier recognition and fine motor movement. Our Donuts with Dad will be June 16, 2023 @3:30pm, hope to see all of our Dads there!

♥ Ms. Amber & Ms. Christine

Classroom Pre-K

Our Mother's Day event was wonderful and we loved having the moms visit our class. I'm sure our Father's Day event will be just as successful. A HUGE welcome to Ms. Desiree, we are so happy you've decided to join our Pre-K family! May was a success! We learned all about transportation, countries, different foods and cultures.

Welcome Summer! This month our theme is Sand, Sea and Sun. We'll be learning about the beach, sea animals and other fun in the sun activities. Also, we will be reviewing letters A-L and counting by tens.

** Please remember to bring in a clean change of clothes as well as water cups for your child and labeled with their first and last names. As we enter into our hotter months,, we need everyone to stay hydrated and dry.

<3 Ms. Ali & Ms. Desiree

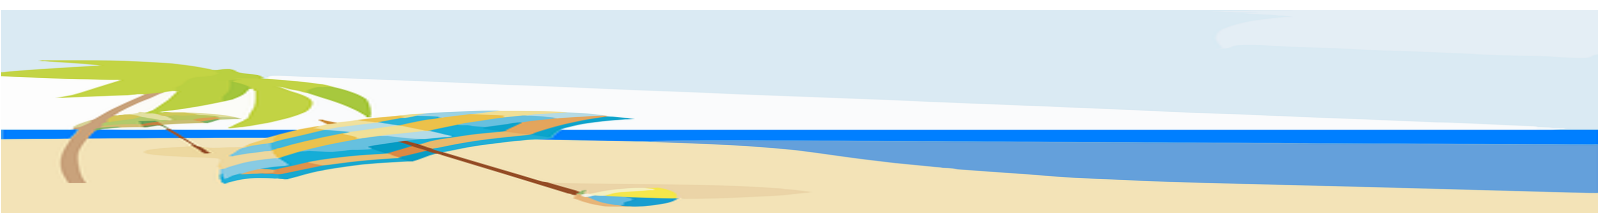

Upcoming VPK and Alumni

We hope all mothers had a wonderful mother's day. It was nice to see all the mothers during our mothers day celebration. The children were excited to see their mothers and hand out the presents they made, by hand, to them. Graduation was a success! Thank you for joining us in the celebration, the students did an awesome job at the ceremony. It's hard to believe our school year has ended. What a fantastic year it was. *We will be having our end of the year Pajama party June 2nd!* As we say goodbye to some of our friends and wish them well in kindergarten, we will also welcome new friends into our class from D3 & Pre- K and returning after schoolers and upcoming VPK students. What a great mix we will have. Please keep an eye out for information for our upcoming Father's Day event. June begins the summer fun so keep your eyes peeled for information on upcoming summer events as well. In Science we will be making Ocean sensory bottles and talk about what we see at the beach, and how to stay safe at the beach. We will wiggle like a jellyfish, crawl like a crab and make sandcastles with sand in the sensory table. In Math we will practice counting by 10's and continue working on our numbers and adding simple numbers. Be reminded that the summer sun is brutal so be sure to apply sunblock to your child before coming to school each morning. We will have water days and will keep you informed as to the day of the week to ensure you have all required supplies.

PLEASE CONTINUE LABELING YOUR CHILD'S CUP WITH THEIR FIRST AND LAST NAME. THANK YOU!

♥Ms. Tonja, Ms. Luz and Ms. Maylin

My Dad

My father is a man like no other. He gave me life, nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but most importantly loved me unconditionally.

There are not enough words I can say to describe just how important my father was to me, and what a powerful influence he continues to be..

I Love You Dad.
