Administrator's news...

I can't believe it's June already! Congratulations to all of our VPK graduates, we are so proud of you and can't wait for your next adventure! Just a reminder for our VPK children who attend wrap around care, we will need a two week withdrawal notice when it is time for your child to go to Kindergarten. This month is the start of our summer program where we will be having water days! Please keep an eye out for your child's designated day for water play, and please make sure you dress them appropriately with a change of clothes, extra shoes and a towel.

Love,
Wellington Academy Admin

Developmental 2A

Our class will be learning the sounds of the letters of the alphabet, as well as recognizing each letter throughout the summer. We also will be learning in English and Spanish how to count from 0-10, basic colors and basic shapes. We will also celebrate Father's Day by creating arts and crafts for the children to take home to their amazing dads!

Love, Ms. Yusimin

Developmental 2B

For the month of June, the 2's are going to have summer themed crafts that include weekly letters to activate their gross motor skills! Everyday we practice during circle time and rotate between several songs and activities during the week. We will have the 2's create fun Father's Day gifts. We will be using the monthly colors and shapes in our artwork, our goal is to expand their knowledge and creativity by creating different types of artwork and activities!

Love, Ms. Sierra & Ms. Emalie

Developmental 3A

It's the sea-sun! As the summer approaches we are going to be making summer/beach themed crafts! Please be sure to have your child's water bottle labeled and filled with fresh ice cold water. Also, feel free to bring in ice cream or popsicles for the kiddos, they would LOVE that! This is going to be a summer to remember!
