June is here! This month its all about Sea, Sand, and Sun! This month we start our water day once a week during our outside time. Children have to come dressed in their suits, sun-screen applies at home, water shoes, towel, and change of clothes. Also, have everything labeled. Please apply sunblock at home, we are not allowed to apply sunscreen unless we have a doctors note. We are going to have so much FUN!

We will continue to review our letters, shapes, and colors. Please replenish the spare clothes in the cubby now that the weather is warmer. Children should have closed toed shoes on everyday to protect their feet on the playground.

Any questions or concerns you can always ask your child's teacher.

Thank you for sharing your child with us!

Sand, Sea, and Sun
It's summertime and this summer is going to be a hot one.

Make sure to dress children appropriately for the weather. This June we will be playing with sand and water throughout the day. Plenty of extra clothes are needed for when the fun gets messy. We are continuing working on our abc's, shapes, numbers in English and Spanish.

June starts water play and our class will have water day every Wednesday. NO FLIP FLOPS. We wish Eli a good-bye as he moves up to Pre-K. Lets welcome our new teacher assistant Ms. Cecilia .

Please make sure to apply sunblock before bringing children to school. Dress your child in their swimsuit before school please. Bring towels and a change of clothes for after water play. We will be doing activities outside like blowing bubbles, colorful chalk, and enjoying ice pops to help cool down. For potty training make sure pull ups are provided for easy maneuvering with potty training. Change of clothes are a must in case of accidents. Thank you for working with us on potty training and together we will get it done. Let's all have a great summer full of laughs, learning, and fun.
