INFANTS A MS. LAUREN & MS. ALI

The summer is coming to an end and our new school year is beginning. With the new school year starting, we would like to take this time to learn all about our family's. Please remember to send in a family photo for us to display in the classroom.

We will be saying goodbye to Skylar and Zeus, who are turning 1! We are also welcoming our new babies, Alison and Amir.

Please be sure to look at our class weekly plan of activities that is posted outside of the classroom each week. As your child grows and is able to participate, we do wonderful activities to encourage skills across all domains, including daily activities such as reading and singing.

Please remember to bring bottles in labeled with first and last name and with lids.

CLASSROOM 1A MS. BRIANNA

Please remember to bring in a family photo so that we can add it to our family tree for everyone to see. We will be learning about our letters, numbers, colors, and shapes. We are excited to see what this school year will hold!

CLASSROOM 2A MS. KELLY & MS. CLAUDIA

We would like to welcome Estelle, Lana, Chanel, and Emma to our 2A class as we say goodbye to Paisley, who is moved up to D3. This month we are heading back to school! We will be discussing what it means to start a new school year. We will be talking about our friends, families, and ourselves. Please remember to bring in a family picture for us to add to our family tree. We thank all the parents for letting your little ones participate in our water days this summer. It was a blast and the children had a great time! This month we will continue learning our letters, numbers, colors, and shapes through story time and center activities.

CLASSROOM D3 MS. CHRISTINE

Wow! The summer is almost over and here we are, getting ready to head back to school! Starting in August, we will be focusing on our numbers and letters, along with writing our names. I will also start doing journals during our morning work time. If you could please, bring in a composition notebook for your child before August 10th. Also, please remember to bring in 2 family photos and a photo of just your child. I am looking forward to a fun filled school year.

back to school

Pre-K Ms. Desíree

I can't believe it is August. Where did the summer go? I would like to take the time to say goodbye and good luck to our friends that moved up to VPK. This sad goodbye also means a happy hello to all of the new students in our class. Welcome to all and I'm sure we will have a great year. We have been taking the time to get to know each other and have wonderful learning activities coming up this month. We will continue to focus on our numbers, letters, colors, and shapes.

Please remember to label your child's water bottles and bring in a family photo to add to our family tree.

VPK-A MS. TONJA

We said goodbye to our old VPK students and wish them good luck in Kindergarten. We want to welcome John, Kayden, Frank, Adeline, and Matteo to VPK-A this year.

This month we will focus on getting to know one another and learning the schedule and classroom rules.

We will be learning the letters A-C and numbers 0-2. We will make new friends and try a friendship trail mix. Towards the end of the month, we will be making an apple volcano.

VPK-B

MS. LUZ

Welcome August! This month we will meet many new friends and their parents that are starting VPK. We will see our alumni from last year heading up to kindergarten. We will miss them dearly.

This month, we will discuss new places and learn what it means to start in a new school. We will be getting to know one another, the classroom rules, and the schedule. The children will be introduced to rotating centers which include science, math, language, and art. Please help your child with their homework and learning activities.

VPK-C

Ms. Maylin

It's that time to say goodbye to some of our friends who are heading into kindergarten. Best of luck next year in your new school. We will miss you!

Welcome to VPK! We are so excited to be starting the new school year. This year will be filled with a lot of exciting adventures. The beginning of the month, we will focus on getting to know one another, the classroom, and the schedule. The letters we will be working on are A,B,C, and D and the numbers are 0-2. Our shapes are circle and square. The children will be introduced to rotating centers, which will include science, math, language, and art, along with fun learning centers like housekeeping, blocks, and library.

Please take in to consideration that hands-on activities are messy, so dress your child in clothes that you don't mind getting dirty. Please make sure you are communicating with your child's teacher and working on homework activities with your child.
