# Little Lambs

As the Autumn weather starts to slowly creep up on us, we are still looking forward to having more fun outside on our patio, having our teachers read to us, and learning new things.

More and more of our friends are starting to move around on their own so we are excited to engage with them.

We are also a bit saddened that some of our friends will be moving up to the one-year old class and saying goodbye for now is difficult. We know that you may come visit us sometimes. Have fun in your new environment, our friends. May you learn loads of new skills and make new friends.
