INFANT CLASS

Our focus this month will be on learning all about the changing of seasons, with the main focus on Fall. We will do so through books, art, and songs.

We say goodbye to Gabriella and Prince, who turned one and we wish them well as they move up to the one year old class.

While these guys are a little young for trick or treating, we do have a Fall Festival coming up that will still delight even the youngest of trick or treaters.

We had a fun last month learning about our community helpers. Thank you to Officer Yates for coming to our class and talking to us about her job as a police officer. The students also enjoyed eating caramel apples and drinking lemonade.

This month we will explore mixing more colors with paint to see the results it will cause. We will make cloud dough. While making cloud dough we will be learning about measuring using cups, teaspoons, and tablespoons.

We look forward to seeing all of our friends at Fall Festival this year. Be on the look-out for a donation sign-up sheet for our Halloween party. On October 31st, we will be having a pajama day. Please remember that no costumes are allowed to be worn during school hours.
