Administrator's News...

School is now in full swing and we are so excited to have welcomed many new families to our center. The children are already learning so many new things and we love seeing their smiling faces everyday! September is going to be packed with many fun and new learning adventures. If you or somebody you know who is a community helper we would love for you guys to come in and share your experiences in a fun interactive way with our children. Please keep a watch out for many fun activities such as fun spirit days, Grandparent's Day and Special Community Helpers who will come and visit with our children. Please remember to check your child's changes of clothes to make sure they are weather appropriate and to please label all cups and bottles with first and last name. New parent's please remember to bring in a family picture for your child's classroom family tree. We are so excited to welcome Mrs. Connie back to our Wellington family and congratulate Carrie on 4 years of Service.

Summer is coming to an end and we are ready for Fall!

We would like to extend a warm Wellington welcome to our new friend Jackson, while we say goodbye to Blaise, as he moved on up to the ones. We will stop by to say hello every chance we get.

A big hooray to Mila for learning to crawl! We have so much movement down here in the nursery. It brings us such joy to watch all of our babies play and learn throughout each day. We will continue to practice tummy time with our younger ones, as well as crawling, standing, and walking with our older ones.

Parents, thank you very much for continuing to clearly label all bottles, lids, and sippy cups with your child's first and last name. This is a DCF regulation and we appreciate your cooperation and understanding.

Let us see what September has in store for us down here in the nursery.

Thank you for sharing your babies with us.

Love your Nursery Teachers,

Ms. Kerry and Ms. Carrie

Hello September! Happy Fall Y'all

My name is Ms. Connie, I have been with Wellington Academy for 6 years as the lead teacher in the D1 class, I took one year off to explore other center settings.

I have learned a tremendous amount of knowledge and gained new certifications on my journey.

I plan on making some changes to the class that better suits the toddler's needs. We will be working on our fine motor skills with different techniques that are guided through play. Also, please bring in a family picture for our family tree that will be up soon.

Lastly, please label all cups with first and last names and have spare clothes in the cubby! We will be getting messy while we learn through play!

I cannot wait to watch your precious toddlers grow and learn with me this year.

Hello shining pupils and parents!

We have started this new school year off to a great start. Ms. Nadia has joined our class so let's all welcome her into the Twos!! This month we will be learning about all the different types of community helpers and their respected duties. We will discuss which ones peak their interests as well as associated role play. Continuing on with our alphabet, we will be learning letters E,F,G, and H.

Be on the lookout for our new Alphabet wall! In addition to our shapes, we will be introducing octagon and what "octa" is Latin for. The colors we will be focusing on for this month are red and white and where we see them (ex. Hospitals, ambulances, first aid kits...etc.).

Parents, as we start approaching colder weather, please keep a light jacket handy in their cubbies at all times and please bring in a most recent family picture to hang up on our family tree.

Thank you to all of the parents who purchased stuff off of our classroom wish list. We are so thankful and the kids absolutely love it all.

Thank you for sharing your child with us,
Ms. Brooke & Ms. Nadia
