Dear Parents,

Welcome to November! We are so excited that it is finally cooling down and the hot days are gone for a while! Please make sure to dress your child accordingly and bundle up on those colder days coming up.

Our Fall Festival was a huge success! Thank you so much to the families and local businesses that donated and made this event possible. We couldn't have done it without you!

Picture Day is this month on November 10th. We will be doing Fall retakes for the students that were not able to be here. We will also be having winter pictures done for parents that pre-register. Make sure you keep an eye out for the pre-registration link!

We are looking forward to celebrating Thanksgiving this month. Ask your teachers about any celebrations they will be doing this month.

INFANTS A

♥ Ms. Monica & Ms. Misleidis

Hello November! This month we are going to be learning about families and cultural diversity. We are so thankful for our babies and the new faces that have arrived in our class. We are looking forward to exploring new things this month through art projects and sensory activities.

CLASSROOM 1A

♥ Ms. Brianna & Ms. Courtney

This month we will be learning all about families and the various family dynamics. We will include families from around the world as part of our cultural diversity portion of our curriculum. The concepts of inclusion, acceptance, and unity with our peers will be incorporated into our daily activities to encourage these qualities in the children. While we work on teaching the children to clean up as they are finished playing, we encourage the same at home. We continue to learn independent life skills and test our limits of individuality, autonomy, and independence.

CLASSROOM 2A

♥ Ms. Kelly & Ms. Heidi

November is about families, your family, my family, and even animal families. We will talk and learn about different families and how your family may be different from my family yet we also have similarities. We will discuss topics encouraging children to accept each other for who they are and learn the importance of inclusion. While children at this age are egocentric, this unit allows us to encourage children to care for each other and accept each other for who they are.

Please be reminded to have at least two sets of spare clothing in your child's cubby.

CLASSROOM D3

Welcome November! This month we will focus on what we are thankful for, along with cultural diversity, our families, and Thanksgiving. We will also continue working on writing our names and letter sounds and recognition. A few reminders, Nov. 1st-10th is our canned food drive. We will be closed on 11/23 & 11/24 for Thanksgiving. I would also like to say thank you to everyone that donated to our Fall Festival. It was lots of fun. Wishing you all a very happy Thanksgiving!

-Ms. Christine & Ms. Amy

Classroom Pre-K

It's finally November! Our Halloween celebrations last month were a huge success. Thank you so much to everyone that participated.

We want to give a big Happy Birthday this month to Jaxon, Jacob, Giovanni, and Matteo, who will be turning 4!

This month we will be learning about families and cultural diversity. We are all about being thankful this month. We will be hosting a Pot Luck for our class on the 22nd. Please keep an eye out for a sign up list for things we need. Happy Thanksgiving!

-Ms. Desiree & Ms. Victoria

VPK A

♥ **Ms. Tonja**

It was very nice to see everyone at the Fall Festival! It was a huge success. We enjoyed seeing all the kids dressed up!

Last month we explored the inside of a pumpkin, made butter in a mason jar, and made popcorn dance. We also made a pumpkin dip which most of the students did not like the taste of.

This month we will be talking about what we are thankful for and about diversity. We will also be talking about the upcoming holidays.

Science will be full of adventures such as nature walks and sound walks. We will observe how to dissolve candy corn along with a few more surprises.

VPK B

-**Ms. Luz & Ms. Trinity**

Welcome November! This month is all about families and cultural diversity. It is also the month of giving thanks and gathering with our loved ones. We will continue to focus on our compound words, sight words, and words that rhyme. We will also start new skills like sentences and patterns.

It is important to bring your child a sheet and blanket for their mats at naptime. Also please make sure they have an extra set of clothes in their cubby.

VPK C

♥ **Ms. Maylin**

Welcome November! This month we will be learning about families and being thankful. We will start out discussing families which leads us to the topic of cultural diversity, moving forward to animal families, continuing with our families, and ending with Thanksgiving. We continue to learn our classroom routine as well as development of new skills such as sequencing, opposites, and patterns!

**HAPPY, HAPPY
Thanksgiving**
