Admin News:

As the year draws to a close and the festive spirits fills the air. I find myself reflecting on the wonderful moments we've shared at Wellington over the past months. December is a special time for us to celebrate the joys of the season, and to appreciate the growth and learning our little ones have achieved.

This year has been remarkable in many ways. We've seen our children make new friends, learn new skills, and bring endless energy and curiosity into every day.

Their laughter and enthusiasm are the heartbeat of our academy, and it's a privilege to witness their journey of growth. Looking ahead, we are excited for what the new year will bring.

We have many fun and educational activities planned and can't wait to continue this wonderful journey with your children. On behalf of the entire Wellington Academy team. I wish you and your families a joyous holiday season.

Warm wishes,
Carole Kirby

We want to thank our families for allowing us to get to experience your little ones!

Developmental 2A

This month we are going to be practicing counting to 10! We will be introducing the colors green, red & white. The shapes we are introducing are the triangle and heart. We are so excited for what this month has to offer us! We are going to be making stockings and ornaments. Remember we will be closed December 25th. We are actively working on getting potty training down, so helping the little ones at home with it will help tremendously!! We want to thank you for allowing us to enjoy your little ones and letting us help them get to the next steps.

Love, Ms. Jalynn & Mrs. Cassandra
