Developmental 2A

We're thrilled to share the exciting news that our little ones are diving into the world of learning! In the coming weeks, we'll be focusing on the letters B and L, exploring the number 8, discovering the heart shape, and immersing ourselves in the beautiful color pink. With enthusiasm and curiosity, they'll be engaging in activities that make learning both meaningful and enjoyable.

Love, Ms. Jalynn & Mrs. Cassandra

Developmental 3A & 4A

I'm thrilled to share the exciting learning journey ahead for our little ones. This month, our focus will be on the letters B and L, introducing them to the fascinating world of language. Numbers 13 and 14 will spark their curiosity in numerals, laying the foundation for early mathematical understanding. The enchanting heart shape will be explored, bringing a touch of creativity to their learning experience. To add a splash of color, we'll be immersing them in the vibrant world of pink. Get ready for a month filled with meaningful discoveries and the joy of watching your children explore the wonders of language, numbers, shapes, and colors.

Love, Mrs. Candance
