Dear Parents,

We are so excited that it is April!
This year is going by so fast already!

We are so proud of our VPK classes and all the hard work they've been doing this year. Graduation is right around the corner, details to follow! Please make sure you let us know if your child will be attending graduation!

Please be reminded we post pictures each weekend to your child's class Facebook page which shows weekly events in your child's class. Check it out if you haven't already!

♥ Wellington Family

Dates to remember!

April 1st No VPK for Easter
Monday

Ms. NÍKÍ 4/1

Ms. LUZ 4/18

Maxímus 4/20

James 4/25

Amír 4/25

Lana 4/30

INFANTS A

Welcome to Spring! Our Easter events were great! Thank you for your help. We want to wish a big Happy Birthday to Amir and James! We will spend time this month learning about animals through art experiences, which will include learning about their habitats. Animals make wonderful sounds which we will learn about through music and books.

♥ Ms. Monica

CLASSROOM 1A

April will be filled with a plethora of activities to get us learning about animals and all that encompasses them, their habitats, eating habits, and sleeping patterns, boy I wish I was a bear, I could use the sleep :)

Our St. Patrick's Day party and Easter events were a success. Thank you for helping.

Please send in a family photo that we can put on our new family tree. This allows the children to see your fabulous faces even when you are not here.

♥Ms. Amy & Ms. Yuliet

CLASSROOM 2A

Spring has sprung and we're gearing up for "Animals in Action." Keep a look out for all the wonderful activities that we will experience while learning about animals.

We want to welcome Kaelyana, Brantley, and Chosen to our class and good luck to Waylon in his new 3 year old class.

Happy birthday to Lana!

Thank you to everyone for your contributions for our St. Patrick's Day party and Easter events, we had such a blast. Our class made some great Easter hats and bonnets!

♥Ms. Kelly

CLASSROOM D3

I would like to take this opportunity to say Happy Birthday to Maximus and welcome Waylon into our wonderful class.

Our St. Patrick's Day party and Easter events were a success. We thank everyone for their participation in making them happen.

This month we will focus on animals in action. We will also continue to focus on our colors, shapes, numbers, and letters.

Please make sure your child has a clean set of extra clothes along with extra bedding for nap in case of accidents.

Thank you for making sure your child has their homework folder everyday. Please keep in mind, we discourage children from bringing in toys from home as they can cause a distraction and can be damaged. Thank you.

♥ Ms. Christine

CLASSROOM PRE-K

Thank you for your contributions for our St. Patrick's Day party and Easter events, they were awesome! We want to welcome Paisley to our class! We are so happy to have you!

This month we will be celebrating Earth Day and making shirts. Please see Ms. Desiree for details about that.

Look around our class at our activities that we hang with pride. Ask us about what we learned while being creative.

We wish everyone well and let's have an awesome April!

♥ Ms. Desiree

VPK A Ms. Tonja

It was nice seeing all of our parents at the Easter Bonnet parade. We had so much fun with all the Easter activities last month.

This month we will talk about the circus and what happens under the big top. We will discuss the animals we see at the circus and which ones we might see at the zoo.

In science, we will make another volcano and talk about the different species of dinosaurs. What do we think it looked like when they existed on Earth? At the end of the month we will turn a regular egg into a rubber one.

VPK B Ms. Luz & Ms. Victoria

Hello April! This month our theme is animals in action. We will focus on reviewing letter sounds and other language activities like rhyming, compound words, and blending letters.

Our colors this month are brown and gray. We will focus on the shapes triangle and rectangle. We will discuss all the different types of animals that live in the jungle, zoo, and farm. In math, we will learn how to count by 2s, 5s, and 10s.

It's hard to believe that next month we will be graduating. Make sure you have your children here by 9am so that they don't miss out on graduation practice.

VPK C Ms. Maylin

In March we had a nice birthday celebration for Dr. Seuss. The kids really enjoyed it. If you haven't looked yet, check out our Facebook photo albums.

Welcome to April! This month we will be discussing the different themes on animals in action. We will be working on vowel sounds. In math, the students will be learning how to count by 2s, 5s, and 10s. We will also continue working on different skills like rhyming words and sight words.

Please remember to work with your child on nightly assignments for homework. We are trying our best to prepare them for kindergarten.

Please make sure to have your child here by 9, so they don't miss out on graduation practice

Dates and times are subject to change

[Did you know?:](#)

April is named for the Greek goddess of love, Aphrodite.

April also only had 29 days, but a 30th day was added when Julius Caesar established the Julian calendar.

April Fool's Day:

My favorite April Fool's prank is pretending I'm going to leave the couch.

What's the difference between Thanksgiving and April 1? Being thankful versus prankful.
