

Note from the Admin:

October is almost here, and we've got so much fun in store! This month's theme is all about Nature—so get ready to explore the wild world of animals, birds, and bugs with our awesome teachers. To top it all off, we're planning a super fun week at the end of the month, and we need your help! We're collecting individually wrapped candy to make sweet goodie bags for the kiddos. Check out all the fun on our Wellington Facebook page and don't forget to hit that 'Friend' button to stay in the loop! Drop off your candy donations at the front office, and thanks for helping us make this month unforgettable!

Happy October! We're pumped for all the fun coming our way this month, hopefully with some cooler weather! First, let's give a big, warm welcome to our newest little buddies, Kayden and Amier! And while we wave hello, we also have to wave goodbye (sniff sniff) to Ms A, who's moving on up to the ones. Little misses P and E will be right behind her! Quick favor: don't forget to label your child's bottles and caps with first and last names (we love you even more for it). As always, thank you for letting us hang out with your adorable little ones every day—they're the best!

With Love- Ms Rosie & Ms Zuria

Welcome Fall Y'ALL! It's officially our favorite season, and we're ready to dive headfirst into a whirlwind of Nature, Halloween shenanigans, and all things Autumn! We're almost pros at counting to 10 and are on a colorful mission to learn our shapes. The alphabet? We give it a daily workout in our small group fun-fests! We've got a treasure trove of exciting activities lined up, so keep your peepers on the parent board for all the October goodies! Oh, and we'd love for each little pumpkin in our class to bring in a small pumpkin for decorating—it's going to shine bright at our Annual Fall Festival! A big welcome to Arwen and Kayden our newest superstars! He's already spreading joy, and we can't wait to watch him blossom with us!

Thank you parents for letting us love your babies!

XOXO

Happy Fall, fabulous friends! This October, we're working on the letters I, J, K, and L, and getting crafty with them! Swing by our art wall near the kitchen to feast your eyes on our amazing creations! As the leaves start to turn, we'll chat about all those gorgeous fall colors and what the Autumn months have in store for us. Parents, feel free to join the fun by chatting with your little ones about these exciting topics too! Let's give a big, warm welcome to our new pals, Charlotte and Wyatt, who are joining our crew! Mark your calendars for October 25th—Wellington's annual Fall Festival is around the corner, and we can't wait to see everyone in their spooktacular costumes! Keep an eye on our parent board for all the latest news and events. Oh, and don't forget to send in a small to medium pumpkin with your kiddo; they'll be decorating it and taking it home! Let the autumn fun begin!

Wow, can you believe it's already October? This year is flying by! We are currently engaged in painting spiders and exploring science experiments using water and sunlight. In math, we've been focusing on patterns, hands-on addition, and learning about opposites. In literacy, we've enjoyed reading "Pete the Cat," exploring compound words, understanding letter sounds, and identifying which words begin with specific letters. Don't forget to watch for updates about our Halloween Party! Also, please remember that we will be closed on Monday, October 14th, for Teacher Inservice Day.
