Admin News:

We hope everyone had a marvelous Spring Break!

“April showers bring May flowers” is a beautiful quote that shows how the world around us works. As we are getting things ready for Easter activities, learning about Animals in Action, and Graduation. We are so close to the end of the school year!

VPK Parents please send baby photos if you haven't already done so.

Thank you,

Mrs. Diane

Mrs. Erica

****Developmental Ones ****

This month we will be learning about animals in action, the sounds they make and how they move, we will slither like snakes, flutter like butterflies and waddle like ducks. We will be doing some fun Easter activities the week of the 14th. We will learn the letters P-Z, numbers 9&10, colors brown and grey, and our shapes are triangle and rectangle.

Love, Mrs. Diane & Mrs. Erica

****Developmental Twos****

This month our theme in the classroom is “Animals in action” We are excited to explore the many ways animals move and behave. To make it even more fun, we invite children to bring in pictures of their pets to share with the class. It will be a wonderful way for everyone to talk about their animals and see how different pets can be! Also, mark your calendar for our Easter party on April 17th. We’ll have lots of fun activities to celebrate the holiday, and we look forward to seeing everyone here!

Love, Ms. Hannah

**Developmental Three's/Pre-K

The month of April is "Animals in Action" along with reviewing letters Pp-Zz, number 20, colors brown & grey, and the shapes triangle and rectangle. We are going to have Easter activities the week of the 14th. Spring Pictures will be next month on May 8th. April is going to be filled with engaging curriculum.

Love, Ms. Tabitha
