# THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

**DECISIONS** for the benefit of your students.

For putting your own needs on hold and

keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today  
ever got rolling.

For **CHANGING** those plans because they didn't  
fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring  
their efforts, trials and mistakes.

For placing your hand on a shoulder that  
was **EXACTLY** what someone needed.

For getting down on the physical level of  
your students because **IT MATTERS**.

For thinking of a new way to reach  
someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**
