As we enter the month of May also known as the month of happiness and sunshine I am thrilled to be sharing this adventure with all of our kiddos and parents. The month of may consists of many important dates such as Cinco de mayo on May 5th, Mother's day on May 9th, and lastly, Memorial day May 26th. We will be celebrating these holidays in class with arts and crafts related to each day to spark knowledge and creativity in a fun way within our kiddos.

Love, Ms. Rosie

May is here already! This year is flying by. This month's theme is passport to travel, we will be exploring current places around the world.

We continue to review all our numbers and alphabet everyday, as well as some shapes and colors.

Thank you everyone for donating supplies for Easter!

We would like to welcome Xylas to our group!

May is filled with a lot of important dates so keep your eyes out for updates. Please restock all spare clothes in the cubbies for the new weather changes.

Thank you for letting me love you babies.

Love

Ms. Connie

First I'd like to start off and say thank you to all the parents that helped our Easter celebration a success. Thank you! Parents we have been busy doing lots of spring crafts that are posted around the classroom and out on our hallway board , so take a peek. Also we will be getting ready to start working on our Mother's day project as well.

Again parents please remember a cup daily, labeled with your child's first and last name, also please take this cup home to be sure it is being washed properly. Also remember your child's linen for naptime for the week.

We will continue to work on using our manners, having nice hands, and using walking feet while inside.

Thank you for your help with these things. Happy Mother's Day to all our Mothers out there.

Love,
Ms. Kerry

Welcome to the month of May !

This is a very special month, full of colors, flowers, and beautiful moments. In may, nature is at its best: the trees are green, flowers fill the garden, and the days are longer and sunnier . It's a great tpo play outdoors and enjoy the fresh air!

It's also a month to remember and celebrate very important people. Did you know that we celebrate Mother's day in May? It's a perfect occasion to hug Mom tight, tell her how much we love her, and thank her for all she does for us.

In may schools, may is also a month of parties, songs, fun activities, and new learning. Take adventures of this opportunity to remain curious, creative, and kind to everyone.

Enjoy this month with joy, keep dreaming big, and never stop smiling

Ms. Yoanka

VPK

May has finally arrived. It is graduation month. We have been working so hard to get ready for graduation. The students have been doing amazing. Mother's Day Celebrations will take place on May 9 as we will be having Muffins for mom, May 5-9 is Teacher Appreciation Week, and May 26 we will be closed for Memorial Day.

We also have been reviewing our sight words, adding and subtracting, Please make sure your child is practicing their parts for the graduation.

May 30 is the last day of VPK. We wish all of our VPK graduates well in Kindergarten. If you have not yet paid your graduation fee these are due immediately. Thank you for allowing Wellington Academy to be a part of your child's educational journey.

With Love,
Ms. B and Ms. Zuria
