Dear Parents,

We're excited to take off on a fun-filled adventure this month as our classrooms explore the world of space with our "3, 2, 1 ... Blast Off!" theme! Our children will be engaging in age-appropriate activities that spark curiosity and support key developmental milestones.

We encourage families to get involved by talking with your child about space or even pointing out the moon and stars during your evening routine. Your support makes our learning experiences even more meaningful.

Let's make this a stellar month of fun, learning, and exploration—together!

Warmly,

Erica Galutza

Director

Infants

This month in our Infant room, we're exploring the exciting world of space with our "3, 2, 1 ... Blast Off" theme! Our little astronauts will enjoy sensory activities like squishy "moon dough," shiny stars to gaze at, and soft space-themed toys to touch and explore. We'll listen to calming space sounds and sing songs about stars and rockets. Through tummy time under twinkling lights and gentle movement play, babies are discovering a universe of wonder—right from their cozy classroom!

♥ Ms. Tina

Classroom 1A

Our toddlers are reaching for the stars with our "3, 2, 1... Blast Off" theme! Through hands-on activities like building rockets with blocks, painting planets, and playing with star-shaped sensory bins, children are developing fine motor skills and creativity. We'll practice counting down from 5 to 1, helping boost language development. With space-themed songs and movement games, we're encouraging coordination, imagination, and lots of smiles as we blast off into learning!

♥ Ms. Maritza

Classroom 2A & 3A

This month is 3, 2, 1... Blast Off! We will have discussions about rockets, stars, planets, and planes. We will also be reviewing our letters, number, shapes, and colors.

The children will use their imagination to go into outer space and walk on the moon.

Thank you to all the Dads who celebrated "Donuts with Dad." We will be closed July 4, 2025 in observation of Independence Day. Everyone please stay safe.

Estelle and Cheyanne are moving up to VPK and we want to wish them "good luck" and we will miss your smiling faces.

♥ Ms. Kelly & Ms. Brooke

VPK

We are launching into learning with our exciting space theme: "3, 2, 1... Blast Off!" The children will explore the wonders of outer space through hands-on activities, creative art projects, and interactive stories. We'll learn about planets, astronauts, rockets, and the moon, all while building language, math, and science skills. From counting down for rocket launches to crafting our own rockets, this theme will spark imagination and curiosity while reinforcing key VPK concepts. Get ready for a month full of adventure as we blast off into a galaxy of fun and learning!

♥ Ms. Maylin
