Admin News:

As we approach the month of June, we will have an amazing summer program ahead.

There will be "Water Play" and "Science Activities" that could get a bit messy.

Please make sure your child has extra clothes each day.

As the summer days are going to get hotter. Please make sure your child has a water bottle with first & last name. We ask that you put sunscreen on your child before coming to school each day as well.

Our theme is Sand, Sea, and Sun, so we will learn a lot about the ocean, the animals that live in it, playing on the beaches, and how to stay safe in the sun.

Thank you for allowing us at Wellington Academy to have a positive impact on your children's journey through life. Always remember our door is open for you anytime.

Thank you,

Mrs. Diane

Mrs. Erica

****Developmental Ones ****

The month of June is all about sand, sea, and sun. We love the sand, sea, and sun! We will learn about how the sun shines bright and keeps us warm. Activities we will explore how the sand is soft, fun to touch, and can dig, scoop, and build with it. The sea goes splash, splash and we will hear little waves. We wear hats and play with buckets and shovels. It's so much fun at the beach! While enjoying the beautiful weather we will review letters A—L, numbers 0—5, colors orange and turquoise, and the shapes circle and sun.

Love, Mrs. Julissa

****Developmental Twos****

The month of June brings us activities and engaging curriculum about sand, sea, and, sun! We will learn about letters A—L, numbers 0—5, colors orange and turquoise, and shapes of a circle and sun. As we learn about sand, sea, and sun through literacy, and do some amazing sensory activities. Please make sure your child has extra clothes each day. I can't wait to see all the projects our little minds create.

Love, Ms. Hannah

**Developmental Three's/Pre-K

It's summer time! In the month of June we will discover what lives in the ocean, how to stay hydrated during outside play, and have activities exploring sand, seashells, and water. We will also be reviewing letters Aa—Ll, numbers 0—5, colors orange and turquoise, and shapes of circles and sun. We will also be having water play days throughout the summer. This month is going to be filled with days of laughter and fun!

Love, Mrs. Tabitha

** VPK **

It's June! This month we will be covering Ocean Animals and fun in the sun. we will be reviewing letters Aa—Ll, numbers 0—5, the colors orange and turquoise, and shapes like circles and sun. We are going to have an amazing summer with tons of activities with water and science experiments.

Love, Mrs. KayJoy

What's happening

**June 12—Father's Day Celebration
(Donuts with Dad)**

We will have Water Days and Science Activities throughout the month. Please make sure your child has extra clothes.
