Hello families! August is here and we are soaking up the final days of summer with fun, sensory filled activities perfect for our little ones. This month, the babies will enjoy crafts like handprint sunshine art, and much more. As we transition toward fall, we begin introducing soft autumn colors and songs during circle time. Thank you for sharing your little ones with us, we're looking forward to a joyful August together!

Sincerely,  
Ms. Rosie

Hello August

Summer is going by so fast! August is all about back to school! We will continue to learn and grow all while having fun! we had a blast playing in the water.

A few quick reminders, we need to have a Drs note to apply diaper cream to the children, you may have it faxed over to the office. All cups have to be labeled first and last names, please make sure you have appropriate clothes in the cubbies in case of accidents.

We want to wish our friend Alina the best at her new school! we will miss you!

**Wow August already! More than half way through the year..... Well it's "Back to school" and with that comes ABC's and 123's and of course rules. Parents please continue to go over walking inside and keeping hands to yourself.**

**Please be sure to have at least one complete change of clothes in your child's cubby, also please take your child's cup home daily to make sure it is washed, and then returned daily with the first and last name.**

**Thank you in advance for your assistance.**

**Lets have a great month**

**Ms. Kerry**

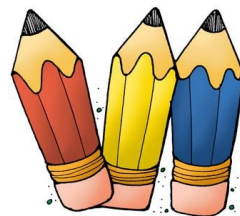

# Pre-K

**August has arrived! We are so excited to kick off the new school year. We hope everyone had a fantastic summer. It's hard to believe that summer is coming to an end. We've had lots of fun this summer with many water days, Kona Ice and the Cape Coral Fire Department and created so many memories. Please keep an eye out on our parent board for important information and events that are coming up. If you are new to our class please send a picture of your family for the family tree. Please check your child's cubby for a sheet and blanket every Monday, extra clothes and a water bottle labeled with your first and last name. I am so excited for this new school year and to see how much your child grows.**

**Love your Pre-K teacher,**
