****Developmental Ones ****

Hello families! My Name is Miss Kaylee, and I am so excited to spend this school year learning and growing with your little ones. In the month of September, we are focusing on getting to know each other, building our classroom community, and practicing our daily routines. We will explore fun Community Helper activities, work on language through songs and stories, and build early skills with hands-on play. This month is all about helping your child feel comfortable, confident, and excited about being in school.

Love,
Miss Kaylee

****Developmental Two's***

Hi, my name is Taylor! I'm so excited to be a new teacher at Wellington Academy! This month, my two-year olds will be learning all sorts of fun and exciting things. We'll be exploring our Community Helpers theme, learning letters E-H, Numbers 3-5, and getting to know our shapes like square and octagon. We'll also be learning two new colors Red and White. I'm so excited to grow and learn this year with the kids!

Love,
Miss. Taylor

Developmental Three's

Dear parents and families,

September will be a full of fun as we kick off learning about community helpers! This month our focus will be on letters E-H, numbers 3-5, and the shapes square and octagon. I will be making sure my little legends are ready for a new year with creativity and growth. Each week we will work on activities like drawing, singing songs, and playing games to help us remember the letters of the month. My little legends will be counting blocks, and writing their own numbers on paper! We also will be practicing drawing both shapes, making patterns, and finding them in our classroom. Our little legends creativity will be shining bright as we work together to build a positive learning pace this school year.

Love, Mrs. Tabitha

****VPK A****

Hello parents,

This month in VPK, our theme is **Community Helpers**—the amazing people who keep our town safe, healthy, and happy! We'll be learning about nurses, doctors, construction workers, firefighters, police officers, and more. If you (or someone you know) has a job helping the community, we'd love for you to come in and share with our class! The kids love hearing real-life stories and seeing tools from your job. This month, we're also learning the letters **E, F, G, and H**—so keep an eye out for them in your child's work!

Thank you for all your continued support!

Love,

Miss Hannah

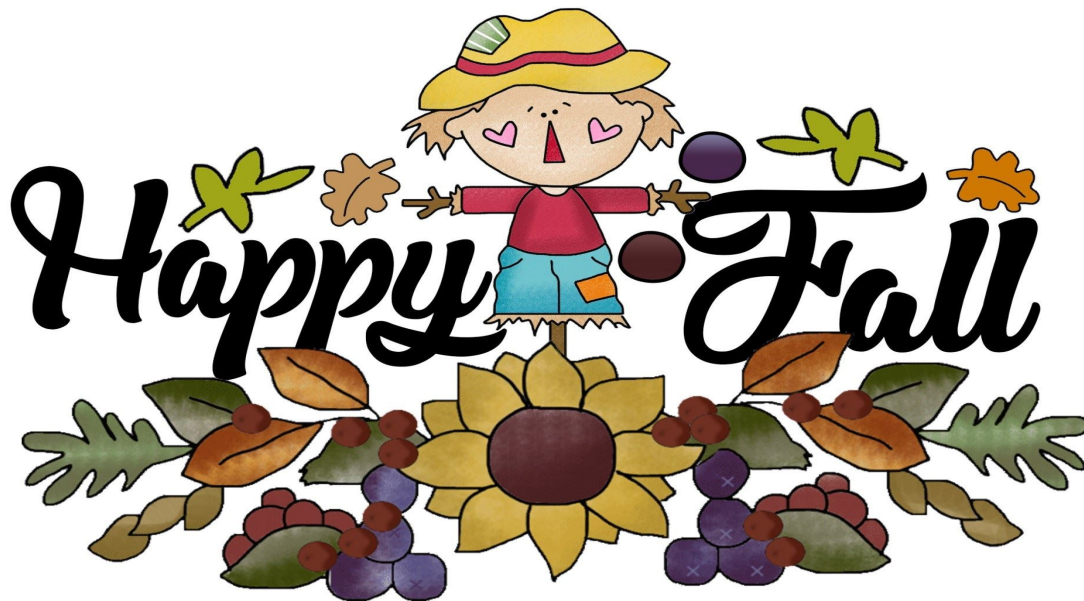

****VPK B****

Hello and welcome to Wellington VPK B all you wonderful parents! This month, our VPK kids are exploring the number 1 as well as the letters of the alphabet and their sounds, with a focus on the letter Aa. We are also reinforcing classroom routines to enhance their learning experience. Friendly reminder that homework folders will be sent home on Fridays. Thank you for your support!

Best Regards,

Mrs. Helen
