Erica Galutza

Office Manager
Renee Delango

Dear Parents,

November's theme is Families, a perfect time to celebrate the love, connection, and support that make each of our classrooms feel like home. Throughout the month, children will learn about the many ways families care for one another. Each classroom will participate in age-appropriate activities that help children recognize family members, share stories about their own homes, and build appreciation for the diverse families that make up our school community. We are thankful for our partnership with each of you and look forward to a month filled with learning, gratitude, and family togetherness.

Please know that my door is always open and if you have any questions or need further assistance, do not hesitate to reach out.

Warmly,

Erica Galutza

Infants

In November, our infants will explore the theme of **families**. We will look at family photos, sing songs about mommies, daddies, and siblings, and read simple board books about family love. Our colors this month are **brown** and **purple**, which we'll use in sensory play with soft fabrics and paint. We'll also explore the **triangle** and **heart** shapes using textured toys and puzzles. This month is all about helping our little ones recognize familiar faces and feel the warmth of family connection.

♥ Ms. Tina & Ms. Brooke

Developmental 1A

This month, our one-year-olds will learn all about **families**—the people who love and care for us every day! We'll talk about parents, siblings, grandparents, and even pets. Our focus letters will be **M, N, O, and P** and we'll look for these letters in our classroom and in our family names. We'll count to **nine** and **ten** using family fingerplays and songs. The children will explore **brown** and **purple** through art and sensory bins and create crafts using the **triangle** and **heart** shapes. We'll celebrate togetherness and the joy of family this month!

♥ Ms. Angela

Developmental 2A & 3A

In preschool, November's theme is **families**. We'll discuss what makes each family special and learn that families come in all shapes and sizes. The children will practice identifying the letters **M, N, O, and P**, and work on counting and recognizing the numbers **9** and **10**. Our art projects will feature the colors **brown** and **purple**, as well as the **triangle** and **heart** shapes. Through stories, songs, and discussions, the children will share about their own families and learn about others, helping build kindness and understanding in our classroom community.

♥ Ms. Kelly & Ms. Gigi

VPK

This month in VPK, our theme is **families**, focusing on family roles, traditions, and the love that brings everyone together. The children will practice recognizing and writing the letters **Mm, Nn, Oo, and Pp** while reinforcing number concepts **9** and **10** through counting games and math centers. Our featured colors, **brown** and **purple**, will be used in creative art projects, and we'll explore the **triangle** and **heart** shapes in both math and art activities. Students will create "My Family" books, share family photos, and discuss what makes their families unique, helping to foster appreciation and connection.

♥ Ms. Lisa

What's Happening In November...

Nov. 6—Dentist Visitor

**Nov. 10-14—Canned Food
Drive**

**Nov. 11—NO VPK (Veterans
Day)**

Nov. 14—Fall/Winter Pictures
