We will also be hosting our **St. Patrick's Day Party on March 13**. Please keep an eye out for information from your child's teacher regarding class parties and sign-up sheets. Please note that there will be **no VPK from March 16-20** for Spring Break.

We encourage everyone to continue checking the **Procure Engagement app** for classroom updates. If you have not yet received an invitation to join the app, please let me (Ms. Carol) know and we will gladly resend the link.

A few friendly reminders:

Please check that your child has weather-appropriate change of clothes.

## Infant's Class

March is a month filled with fun and celebration in our daycare class! We will be celebrating Dr. Seuss' Birthday with playful rhymes, colorful books, and imaginative activities to spark creativity. We will also embrace the luck of the Irish with St. Patrick's day crafts and songs, bringing a little magic and joy to our classroom this month!

Thank you,  
Ms. Rosie and Ms. Yenni

## Spring has sprung!

We are so excited to learn all about "spring" I have a lot of great activities planned to explore everything about flowers, dirt bugs, and of course outside activities! We will also focus on our circle time. We do it every morning. We can count 1 to 10, review alphabet, sing our songs. If you are able to donate, We will continue on working on our walking feet, and using nice hands popsicles We would like to welcome August to our group! We are excited to watch you grow with us. Just a friendly reminder, make sure clothes are updated in the cubby that are appropriate for the weather.

Thank you, parents for letting me take care of your babies.

Dear little explorers,

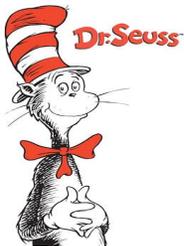

Welcome to our Dr. Seuss season!

As we move into March, there is so much going on, as we talk about spring! My favorite time of year. The weather starts to warm up, and the flowers bloom. Where ever you look, you will see bright colors like pink, yellow, purple . We will also be getting ready for a world full of funny rhymes, silly characters, and magical stories! We will read exciting books, play with words, and use our big imaginations to go on amazing adventures. The more that you read, the more things you know. The more that you learn, the more places you'll go!

We will also be celebrating St Patrick's Day! As we will go on magical adventure filled with rainbows, shamrocks, and maybe even a little leprechaun mischief!

Get ready for fun stories, lucky crafts, and lots of green! Who knows? If we use our big imaginations, we might just find a pot of gold at the end of the rainbow! Remember: "You don't need luck when you have kindness, joy and a little bit of magic!"

I can't wait to celebrate with all of you!  
with lots of Luck ,

Miss. Yoanka

Hello March!

Springtime is here, so let us spring into sight words. We will review the alphabet letters and sounds. We continue to count by 5's and reviewing our numbers 1-30. We'll also learn to count backwards from 10! Dr. Seuss week is the 1st week in March so keep an eye out on our Dr. Seuss themes! We'll also be celebrating St Patrick's Day on 3/13 before the break. Wear Green! We have learned how to write our names! We still need a little help sometimes but we'll be 2 steps ahead in Kindergarten!
