Director

Dear Parents,

Happy April! We look forward to a great month and for the Easter bunny to visit. Please remember to **label all personal items** with child first and last name.

If your child will be absent or will be in after 9am, please notify the office as soon as possible for staffing purposes. You can message us in ProCare or give the school a call.

Please check your child's supplies to make sure they have three full sets of extra clothes at school at all times.

Thank you for your continued trust and partnership—it truly makes a difference in your child's early learning experience.

Dates to remember...

April 3rd-Wellington Closed

April 6th- No VPK

Infants

This month we will be learning about animals for our animals in action month. We will be listening to animal sounds and focusing on animal songs for our music and movement time. Dancing has become a favorite practice for our infants as they are greatly improving their balance, which has been an important routine for our gross motor time. Last month we saw quite a few unassisted steps taken! We are so excited to watch our youngest learners in action.

♥ **Ms. Tina & Ms. Brooke**

Developmental 1A

We will be celebrating Easter this month, We will be doing fun activities and art projects. Circle time has been going very well, the children are enjoying it and learning new words. We will continue to work on our colors and simple words.

Milestones-

Jamie can point to all his body parts

Olivia is starting to say words such as car and starting to learn her colors

Claire is working on giving up the pacifier

Ace is showing great development in his artwork

♥ **Ms. Melissa**

Developmental 2A

Thank you to all the parents that donated for our St. Patrick's Day Party! Wishing our friend Roman a Happy Birthday! We had a special visitor on March 31st! We loved meeting the Easter Bunny and decorating baskets to collect eggs that the bunny hid for us!

This months theme is Animals in Action, we will be discussing our favorite animals and how they eat, run and play. We will continue to review our numbers, letters and colors. Thank you for sharing your child with us!

♥ Ms. Kelly

Developmental 3A

Here in our three year old class, we would like to give a special welcome to our new friend Elijah, he has been a wonderful addition to our class.

Last month we had so much fun learning about spring and all of the beautiful nature that blooms as we planted seeds and watched flowers change colors for some of our science activities. We also got to celebrate the beloved Dr. Seuss for his birthday where we did lots of crafts pertaining to his classic stories.

This month, however, we are very excited to be diving into animals in action month where we will be incorporating animals into our day to day curriculum as well as learning about all new types of animals and their habitats. In our curriculum this month, we will be focusing on patterns, matching, sorting, cutting, and tracing.

♥ Ms. Tracey

VPK

Welcome to our new friends Kashmere and Bentley!

Last month we explored spring activities and we planted a garden. April is a wonderful month to explore animals and nature. We will be learning about animals and their movements, needs, and their habitats. We will continue to review numbers 1-19 and introduce the number 20. We will also continue reviewing our letters P-Z. We look forward to an exciting month.

♥ Ms. Lisa

A watercolor-style birthday card. The top border is decorated with a row of colorful balloons in shades of purple, teal, orange, and blue. The bottom border features a row of wrapped gifts in various colors like blue, green, red, purple, and orange. The background is white with scattered confetti dots. The text is centered in the middle.

HAPPY BIRTHDAY

Ezio-4/1

Roman 4/8

Nori 4/15
