Dates to remember...

May 4-8 Teacher Appreciation
week

May 7-8-Mothers Day
Celebrations

May 25th -Wellington Closed
Memorial Day

Dear Parents,

As the school year ends , we would like to wish all our VPK students the best in kindergarten. Graduation will be May 30., 2026 @ 10:00am in the commons area. Each family can invite 6 people to join.

The classrooms will have muffins with mom, Check with your child's classroom for times.

Just a reminder please have you child/ children her no later than 9:30am for staffing purposes. Please be sure to label your child's belongings including their water cups with the first and last name.

Thank you for sharing your children with us!

Administration

Infants

This month in infants, we are sadly saying goodbye to our friend Ezio as he is moving and going to a new school. On a happy note, we will be celebrating Ms. Tinas birthday this month on the 11th! We had a great time celebrating Easter last month with a visit from the bunny and all of our Easter crafts. This month we will be celebrating all of our lovely mothers with gifts from their sweet babies! With the addition of our new stroller, our class has been taking advantage of the beautiful weather and taking some rides outside to get some fresh air. Also, now that all of our friends are on the move, we ask that you send them with a pair of shoes so when we do take them outside, they can have the opportunity to hop out and explore the playgrounds more. Thank you!

♥Tina

Developmental 1A

Last month we had an incredible Easter party, all of our friends had a great time celebrating! This month our celebrations are shifting to our favorite people, MOMS! We will be celebrating mothers day with our mothers day celebration on May 8th and working on special gifts all week! We have seen some amazing progress with our one year olds as we continue our focus on vocabulary, colors, and numbers. Jamie can count how many objects are in front of him, Olivia is asking “what's that?” at circle time, Claire is recognizing and verbalizing colors, and Ace is showing much more interest in art projects! We are so excited to watch these one year olds constantly growing.

♥Melissa

Developmental 2A

We would like to express a warm welcome to our new friend Woodsen, he has been a lovely addition to our classroom. He will be joining us on our adventure to learn all about vowels this month as well as reviewing our numbers 1-10. We are excited to incorporate our monthly theme of Passport to travel the world into exciting and engaging activities and lessons. Last month we had a great time celebrating our friends Roman and Nori for their third birthdays just a week apart from each other! This months celebrations are all about the moms as we celebrate mothers day with a celebration on May 8th . We will be celebrating mothers all week as we hone in our artistic abilities to create some beautiful things for our marvelous moms.

♥Kelly

Developmental 3A

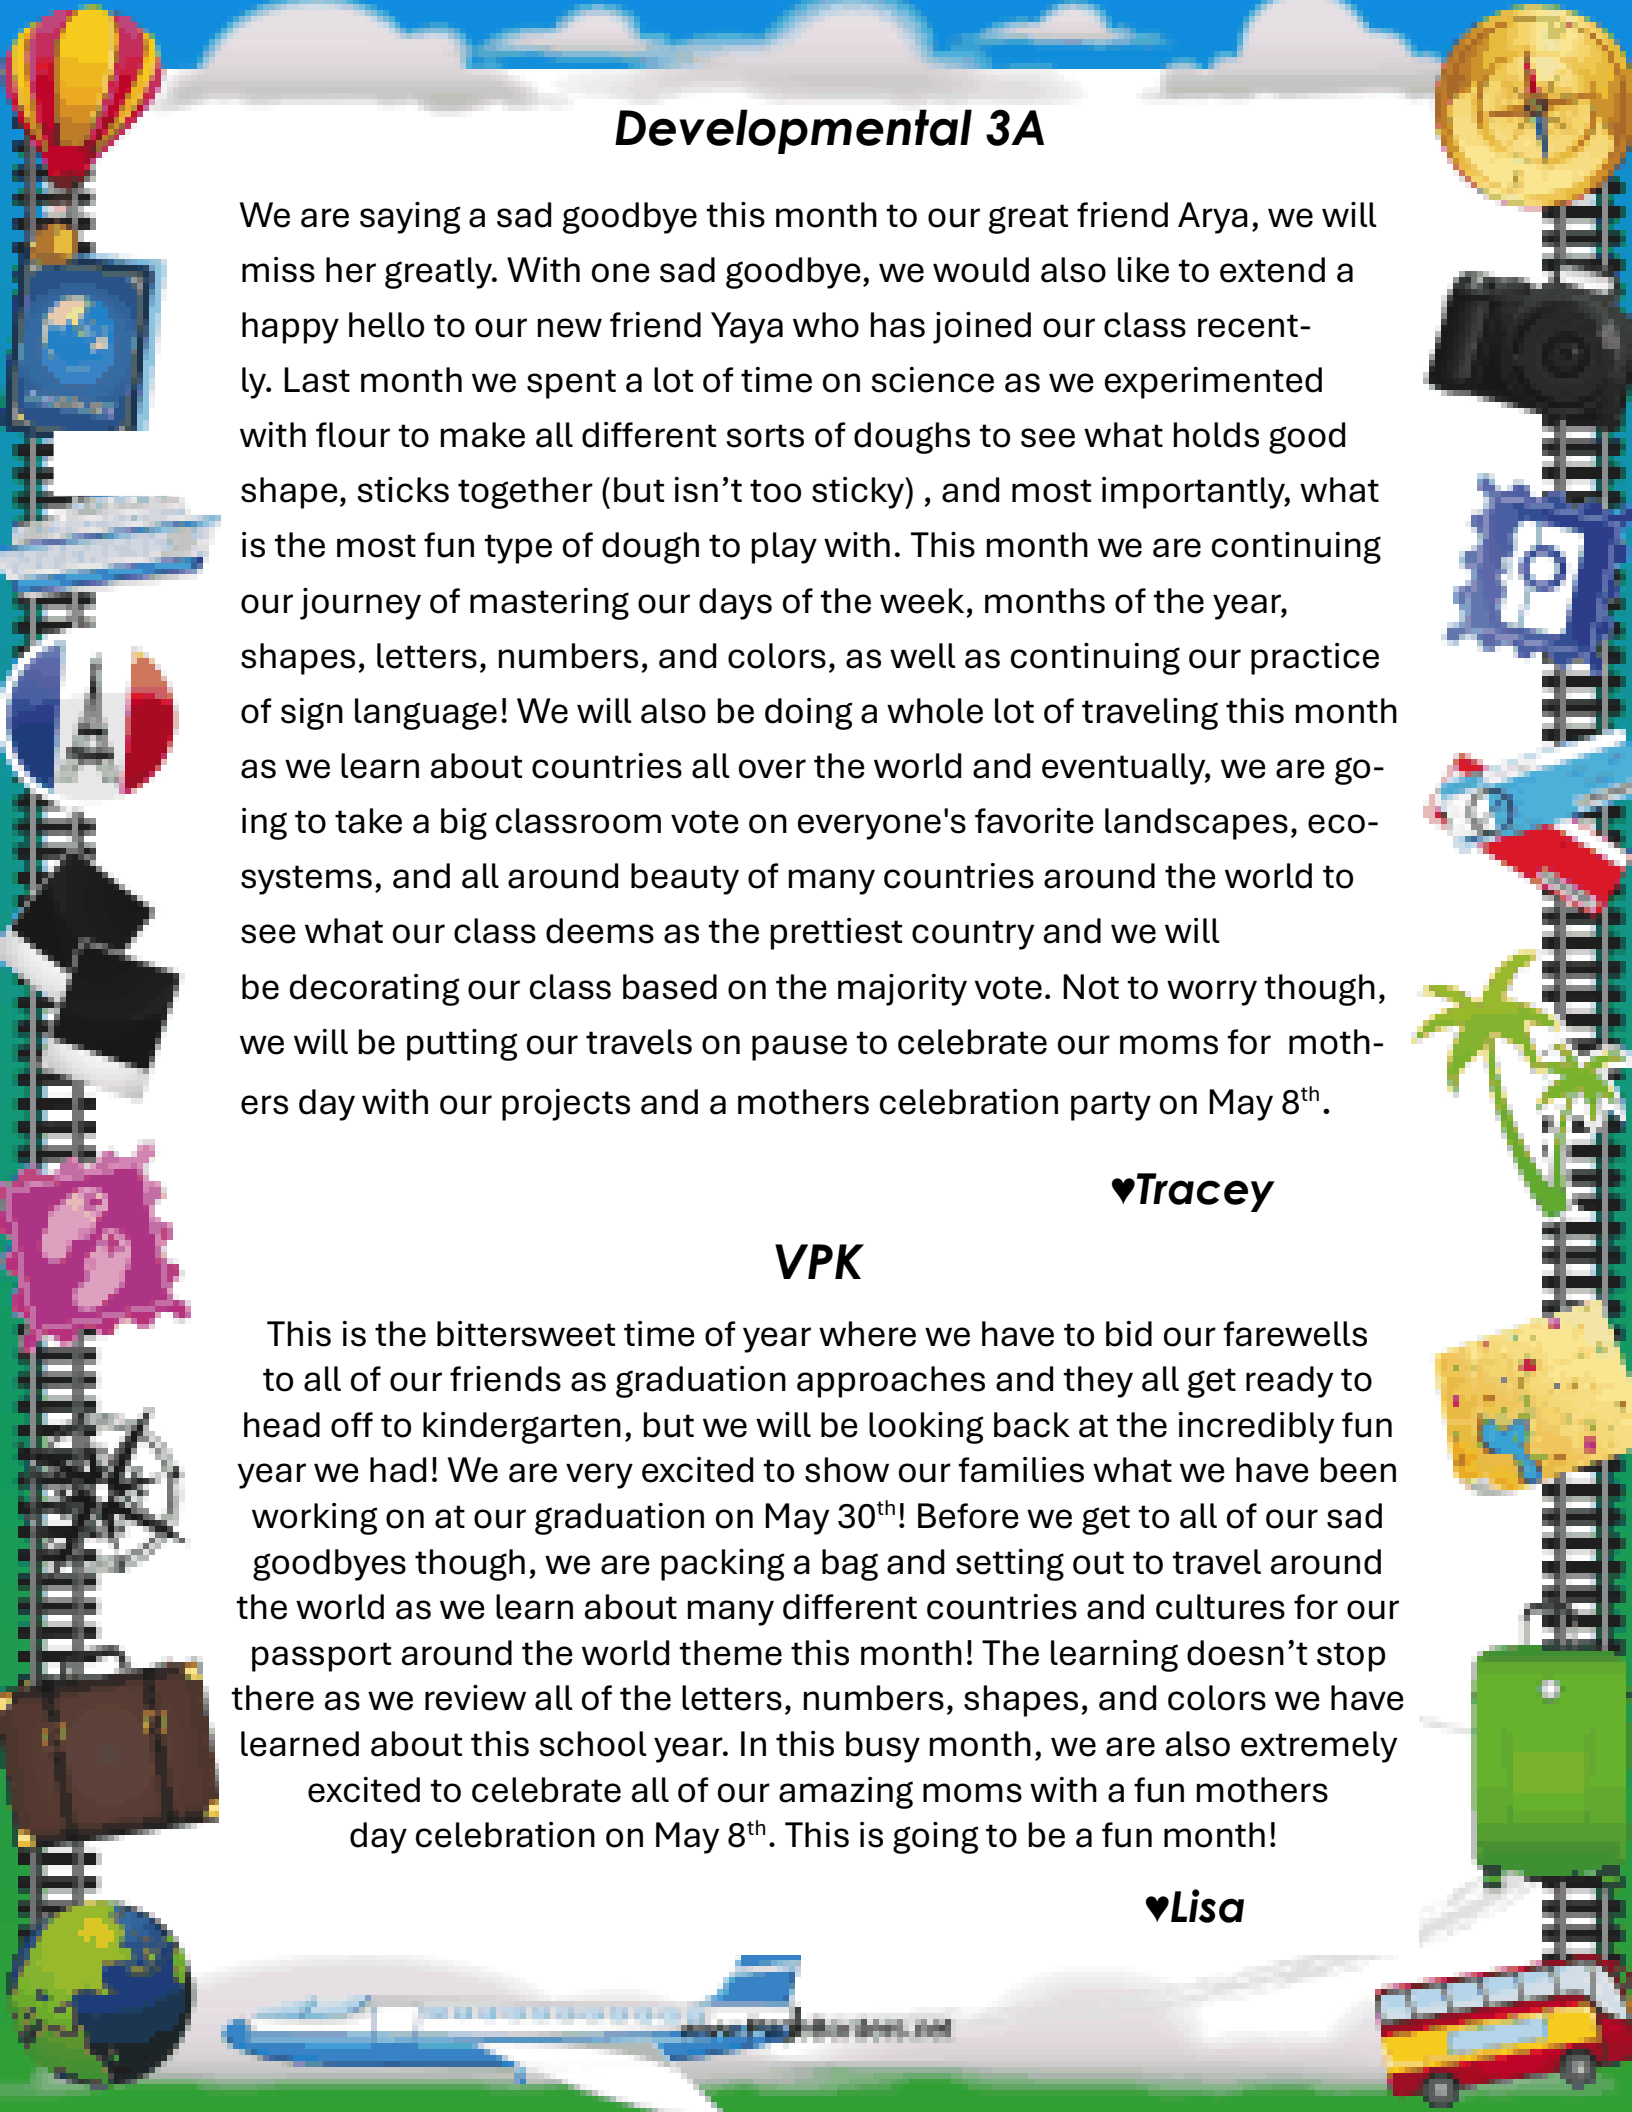

We are saying a sad goodbye this month to our great friend Arya, we will miss her greatly. With one sad goodbye, we would also like to extend a happy hello to our new friend Yaya who has joined our class recently. Last month we spent a lot of time on science as we experimented with flour to make all different sorts of doughs to see what holds good shape, sticks together (but isn't too sticky) , and most importantly, what is the most fun type of dough to play with. This month we are continuing our journey of mastering our days of the week, months of the year, shapes, letters, numbers, and colors, as well as continuing our practice of sign language! We will also be doing a whole lot of traveling this month as we learn about countries all over the world and eventually, we are going to take a big classroom vote on everyone's favorite landscapes, ecosystems, and all around beauty of many countries around the world to see what our class deems as the prettiest country and we will be decorating our class based on the majority vote. Not to worry though, we will be putting our travels on pause to celebrate our moms for mothers day with our projects and a mothers celebration party on May 8th.

♥Tracey

VPK

This is the bittersweet time of year where we have to bid our farewells to all of our friends as graduation approaches and they all get ready to head off to kindergarten, but we will be looking back at the incredibly fun year we had! We are very excited to show our families what we have been working on at our graduation on May 30th! Before we get to all of our sad goodbyes though, we are packing a bag and setting out to travel around the world as we learn about many different countries and cultures for our passport around the world theme this month! The learning doesn't stop there as we review all of the letters, numbers, shapes, and colors we have learned about this school year. In this busy month, we are also extremely excited to celebrate all of our amazing moms with a fun mothers day celebration on May 8th. This is going to be a fun month!

♥Lisa

Ms. Tina- 5/11
