Happy May! As we wrap up on an amazing school year, we are excited to continue reviewing all that we've learned. This month, we will be revisiting the alphabet, numbers, and shapes to help strengthen our skills. We will also continue learning new colors and practicing how to spell them!

May is a very special and busy month for us. Our VPK graduation will take place on May 30th at 9:30a.m. here at Wellington. We have been working really hard practicing for our graduation program, and we can't wait for you to see it.! Please remember to send in your child's baby pictures and family pictures for our celebration. There is also a graduation fee— please see administration for more details. The theme this month is "Traveling around the world" , where we will explore different places, cultures, and traditions. We will also be celebrating our wonderful moms with a "Muffins with Mom" event more details coming soon!

As the school year comes to an end, we are feeling both excited and a little sad. We are so proud of how much our students have grown, and can't wait to see all the amazing things kindergarten has in store for our smart little learners!
