Admin News:

As we head into an exciting end to the school year, we have several important events coming up. Our VPK classes will be graduating May 30th!

We're so proud of all of our graduates as they prepare for the next big step. Please note that the graduation fee is \$70, which helps cover the ceremony expenses as well as special keepsakes. We will also be celebrating Teacher Appreciation week as a way to recognize our amazing staff for all the hard work they do each day. Families are welcome to join us in showing their appreciation. In addition we look forward to honoring all of our wonderful moms during our Mother's day celebration. More details for each event will be shared soon.

Mrs. Diane & Miss Hannah

Important Dates

May 4-8: Teacher appreciation day.

May 8: Muffins with Mom

May 25: Closed—Memorial Day

May 30: GRADUATION DAY

****Developmental Ones and Twos****

It's already May! Our theme this month, around the world, means that we will be learning more about different places and cultures from all over the world. We've already talked a little bit about Africa while talking about African animals, as well as animals in North America. As always, we will be learning through play and lots of fun activities. We are SO excited to expand our knowledge of all the countries, as well as the people and animals that live there.

Miss Lindsey

****Developmental Three's****

Hi families, We're excited to welcome the month of May with our new theme Passport to Travel! This month, the children will explore different places around the world and learn about traveling in a fun and imaginative ways. We'll talk about how people travel, where people travel, places we can visit, and different cultures along the way!

We have some special celebrations this month! We will be celebrating Teacher Appreciation week to recognize and thank all of our teachers for their hard work and dedication. We will also celebrate Mother's Day with special activities to show love and appreciation for all the amazing moms and caregivers in our lives!

We're looking forward to a fun-filled month of learning, exploring, and creativity as we "travel" the world together!

Miss Karina

VPK A

Bonjour VPK A families! Get your passports ready because we're heading Around the World! Over the next few weeks, we'll be exploring different countries, learning about their cultures, foods, music, and traditions. The children are so excited to "travel" and discover what makes each place special. While we're busy adventuring, we'll also be getting ready for graduation by practicing our songs and preparing for our big day. In the classroom, we will continue to build are early literacy skills through letter sounds, blending, and beginning reading, along with strengthening our math skills through counting, number recognition, and fun hands-on activities. We can't wait to finish the year strong and celebrate how much these little learns have grown!

Miss Hannah & Miss Kaylee

VPK B

Hello VPK A families!

We're getting ready to take a trip Around the World right from our classroom! Over the next few weeks, we'll be "visiting" different countries and learning about their traditions, foods, music, and cultures. The children are already loving the excitement of exploring new places and ideas! As we continue our journey, we'll also be preparing for graduation by practicing our songs and getting ready for our special celebration. In addition, we'll keep working hard on our early literacy skills—focusing on letter sounds, blending, and beginning reading—while also building our math skills through counting, number recognition, and hands-on activities. We're so excited to wrap up the year with lots of learning, fun, and special memories!

Ms. Helen
