Welcome to a joyful June in our infant class. As we celebrate the warmth of summer and special day's like father's Day and Juneteenth, our little ones will enjoy many different activities this month. Our little ones will enjoy sing-along with summertime songs to encourage early listening and bonding, gentle sensory play, and handprint art to capture tiny summer memories. We'llsoak in the sunshine through colorful activities inspired by, the season.

Miss Rosi

Summer time is here! This month we are talking about sand, sea, and sun fun! We are excited for a lot of fun summer activities. We continue our learning throughout the day.

Please dress the kids for going outside, as we go twice a day. Also , a reminder we are NOT allowed to apply sunblock unless we have a Drs note. You may have one faxed over to the office staff.

Keep your eye out for a summer water day schedule, as I will post more details on procare.

Thank you parents for letting me love your babies.
