Dates to remember...

August 4, 2026-VPK Open house

August 11, 2026-1st Day of VPK

Dear Parents,

We are so excited to kick off a brand-new school year here at Wellington! We are starting our school year off with our August themes, Back to School and All About Me. Keep an eye out for your class's Amazon wish lists. Any and all donations are greatly appreciated. With the new school year starting, we figured now is a good time to send out some reminders.

Our hours are from 6:30am-6:00pm. Our regular class activities start promptly at 9:00am so we do need every student to be here at or before that time as to not disrupt class time and to give your child every opportunity to participate in learning time. Also, accidents and spills do happen every so often, so please make sure your child always has 3 complete changes of clothes in their cubbies. Daily, students need a clean cup of water, proper close-toe shoes with backs, weather appropriate clothing, and a blanket and sheet- if they nap- to promote a well flowing successful day. We ask that all at home toys remain at home or we will have to put them in the office until pick-up. We appreciate your understanding and we are so excited to navigate this new school year with you!

Administration

A decorative border of various colored pencils (red, orange, yellow, green, blue, purple) arranged in a circular pattern around the text.

Developmental 1A

We had a wonderful summer here in the one's room! We had so much fun exploring our summer themes and enjoying water day, but we are ready to get back into the school year! There has been so much progress in our class over summer, we are seeing all of our friends talk a lot more, some are answering yes or no questions correctly, and others are even identifying shapes, colors, numbers, and animals! We are also seeing great progress in their interest in art; they have lots of fun making our projects. We are so excited to start the school year! We have a lot of fun activities planned for our back to school/ all about me theme and I can't wait to see what else we can achieve in just a month this month!

♥ Ms. Melissa

Developmental 2A

Welcome back to school! I hope everyone had a great summer! This month we are unfortunately saying goodbye to our good friend Jamie as he takes on new adventures in his new school. We hope he has a great time but we will surely miss him. Last month we celebrated Independence day, I hope everyone had a fun Fourth of July! This month our theme is Back to School/ All About Me, we can't wait to learn all new and exciting things this school year. We are also beginning a new project this month that will last throughout the school year. Every Friday, your children will take home a journal that will be used to document their weekend. You can include a small paragraph, a list, pictures, or drawings to be shared with the class on Mondays. We can't wait to see what this school year brings!

♥ Ms. Kelly

Developmental 3A

We are so excited to start this new school year in this class. We are unfortunately saying goodbye to many of our friends who were with us for the summer, and we will miss them so much as they go on to their big kid's schools. Emily, Aubriella, Arianna, Kashmere, and Aaliyah, we will miss you so very much. We are also saying goodbye to our sweet Kenna as she moves up to our VPK class! As we come into a new school year with a much smaller class than we had over the summer, we are excited to start fresh and learn so many new amazing things together. We will be focusing on learning the ways of school with a refresh on expectations in the classroom, we will also be taking this time to focus on our classes individual strengths and weaknesses to create classwork that specifically helps each and every one of our friends. We are very excited to see where this school year takes us and all the adventures along the way!

♥ Ms. Tracey

VPK A

Welcome to VPK! I am so happy to welcome you to my class! We are going to have so much fun this year. We have interesting projects, fun activities, and lots of learning ahead. I look forward to working with your families this year and I can't wait to get to know your child and watch them grow!

This month our theme is Back to School and All About Me so we will be taking this time to learn all about school and our routines as well as spending the time getting to know each other. The biggest goal is to make sure we are creating a safe space for all of our friends to flourish while we prepare for kindergarten!

♥ Ms. Lisa
