Director
Sherry Whitty

Dear Parents,

We had a wonderful start to our school year. We got to know all our new friends that joined us for the start of the school year, and we could not be more excited to have them join us. We would also like to give a very warm welcome to our new director, Ms. Shaena! We are so happy to have her here!

If you are happy with your child's time here at Wellington, leave a positive review about your experience. We will also be using this as a great time to shine a light on our fabulous staff members. Include a staff member who has made a big impact on your child. Multiple staff mentions are absolutely welcome as we know that it takes more than one teacher to create a warm environment.

This is a busy month for birthdays in all of our classes and up here in admin office Ms. Shaena's on the 28th! We will also be hosting our grandparent's day celebration on the 11th so keep an eye out for our announcement on that. We would like to say thank you to all of our community helpers this month for all you do with an exciting spirit week on the week of September 14th!

Wellington Administration

Dates to remember...

**September 7-Wellington
Closed Labor Day**

**September 11-Grandparents
Day Celebrations**

**September 21-(No VPK)Yom
Kippur**

1A

We had a great 1st month of school, already full of growth and milestones! The entire class has taken great advantages in their language development and their art skills. I am so proud of them.

Olivia is understanding the classroom instructions, Claire is repeating her numbers and colors, Psalm is speaking in complete sentences, Raymond is showing amazing progress and care for art, and Ace and Jack are learning new words all the time!

This month is community helper's month so we will be taking time to learn about all of the different jobs the make up our community with stories, and dramatic play as well as some very exciting visitors to get an engaging hands on approach to our lessons!

This month we will also be celebrating Ms. Melissa's birthday on the 8th as well as grandparent's day on the 11th.

♥ Ms. Melissa

2A

The first month of school was a great success, we can't wait to keep the learning going. This month we are excited to celebrate grandparents' day on the 11th as well as our friend Amari's birthday on the 9th!

Our theme This month is community helpers so we will be spending our time getting to know each kind of community helper and what kind of jobs they do as well as how they benefit all of our communities. We are also excited to get to meet a few of our local police officers and fire fighters when they come out to visit us this month! We will focus on this in our circle time and our art activities. We will also continue to focus on our alphabet, counting, shapes, and colors.

♥ Ms. Kelly

Developmental 3A

Back to school month was a major success and we are so excited to be back in the school year. This month we will be celebrating our good friend Prince's birthday on the 26th as well as Ms. Tracey's birthday on the 14th. We are going to celebrate grandparent's day on the 11th as well.

Community helpers will be our focus this month as we continue with our monthly themes. We are excited to go over all the major helpers in our communities and just how important every one of them is to our day-to-day lives. We will continue with our education of phonics, sign language, and counting, as well as coloring inside the lines for our fine motor skills. We are so excited to see what this month brings.

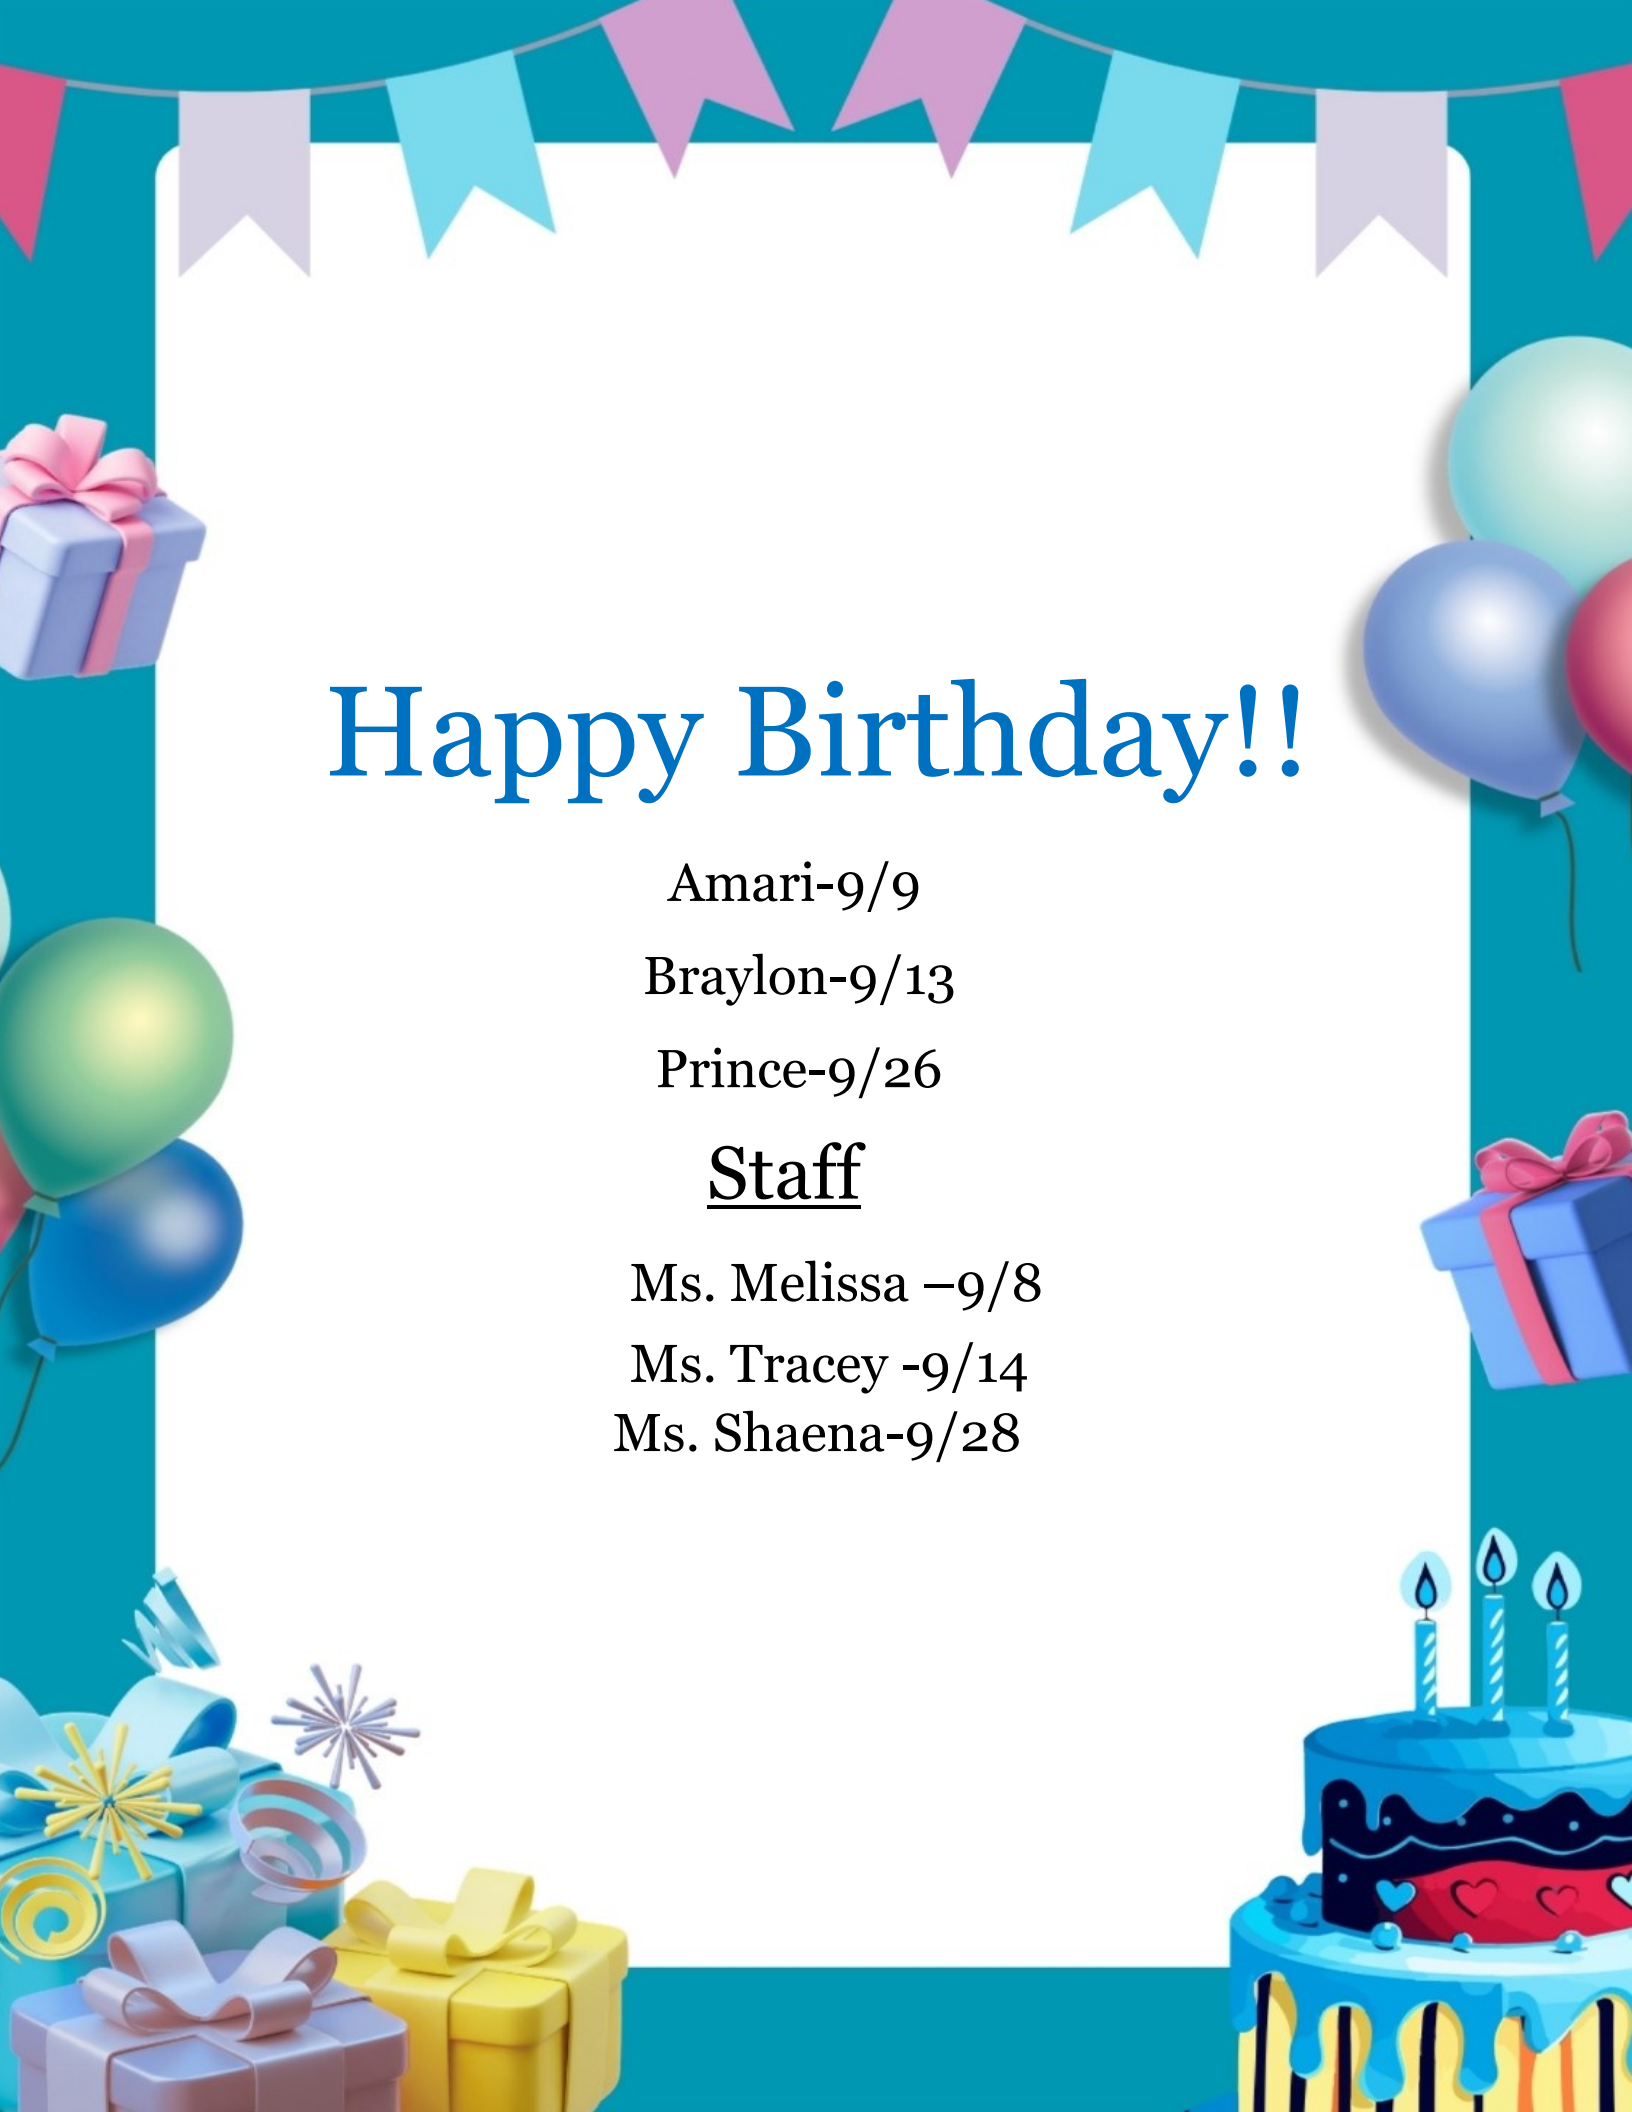

♥ **Ms. Tracey**

VPK A

Here in VPK we have had a fabulous start to our year. I have had a great time getting to know you children in the last month and I cannot wait to continue to do so throughout this school year. We are going to be celebrating our friend Braylon's birthday this month on the 13th . We will be having a Grandparent's Day celebration on the 11th that we are very excited about. This month we will be discovering all of the helpers in our community that do important jobs to keep our towns running. We will be learning about these helpers through stories, dramatic play, art, and conversations. We will be leaving it up to the learners in class to figure out the jobs and responsibilities of our community helpers.

♥ **Ms. Lisa**

Happy Birthday!!

Amari-9/9
